

# Hydro News!

Sept. 2016

Hello Parents!

This year is off to a great start! The students have been working hard at their daily routines and building stamina for each subject. We have begun functioning within what will be our normal routines with "most" kinks worked out.

Hope you all can make it to Open House. We will be going over a few more details about how the class is run, grades, testing, etc. I will also cover the basics like transportation, lunch, recess, homework, behavior and open the floor for any questions that you may have. The students will be excited to show you what they have been working on.

Class T-Shirts have been ordered and I expect them soon.

Please consider participating in the Scholastic Orders. This program has provided so many wonderful free resources to our classroom. Placing the order for books online is easy.

Email: I try to check it as often as I can, snack time and at lunch and specials. But some days it's not possible. So please send written notes for transportation and absences. Please be sure to label all of your student's things, if it's not attached to them...backpacks & jackets— it is good to label it.

BoxTops & Pop Tabs: We collect them. WNP's PTO counts and collects these. It is also a school wide challenge. The classrooms who collect the most win prizes through the year!

Star Books Store

Open Daily at 8:00–8:15

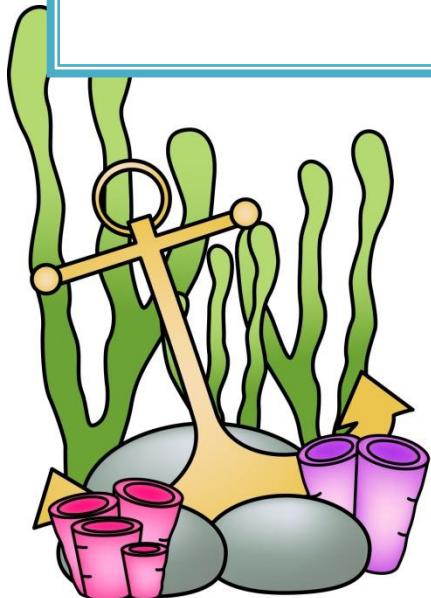

Books are \$3.00 each.

Library Nights

Tuesday evenings from 5:30 to 7:00 p.m. our library is open. Students can check out books and take A.R. test. Mrs. Witter is also there to answer any questions and is a great reading resource.

ClassLink:

Classlink is a new portal that students use to access our computer programs. They can access Classlink from home. There are some kinks being worked out with this being a new program. Watch for info on Classlink as it will be how students access IXL (math practice) and other computer programs from home.

Diving ahead:

9/5/2016: Labor Day—No School

9/8/16: First Library Night

9/13/16: 1<sup>st</sup> Grade Open House 6–7:00pm

9/14/16: Early Release Day
